Sentence case. Tight tracking (-2%) on display sizes only.

03 Show name

Off Paper
- Powered by Tokeniser

Off Paper - Powered by Tokeniser

Always exactly: "Off Paper - Powered by Tokeniser". Stacked: line break after "Paper"; the hyphen leads line two. Inline: one line, one space each side of the hyphen. Never abbreviated, never reworded, never "Off-Paper" or "OffPaper".

04 Tokeniser logo

x = ½ logo height clear space

On-mint square file, used whole

Use the three supplied PNGs only: on-dark (Slate and photos), slate-green (Light Mint), on-mint (square). Scale proportionally. Never redraw, recolour, outline, shadow, rotate or stretch. Minimum size: 24 px / 6 mm logo height.

05 Graphic devices

Folio mark

Ledger field

Chain link

Tile cascade

On solid colour devices at 70%

On photos: 30% Slate overlay, devices 60%

The Folio mark is a sheet already turned into units; its top corner lifts off the page.

06 Applications: one show, one system
